

Who Will I Be?

- Will you care about other people as much as you care about yourself?
- Will you leave a positive impression on the people you meet?
- Will you surround yourself with people who love you for *you*?
- Will you treat everyone with respect?
- Will you suspend your judgment of others?
- Will you believe that no one is “better” than anyone else?
- Will you welcome opportunities to grow from your mistakes?
- Will you build and sustain a community?
- Will you make decisions with future you in mind?
- Will you devote as much time to creating as you do to consuming?
- Will you admit when you need help?
- Will you embrace nuance?
- Will you celebrate your little wins?
- Will you give people the opportunity to surprise you?
- Will you be proud of the person you are while you work on becoming the person you want to be?
